

Adopt-A-Family 2024 FAQ

Q: What is Adopt-A-Family?

A: The Adopt-A-Family (AAF) project is designed to provide holiday assistance to single adults and families whose lives have been impacted by interpersonal violence.

Q: How are clients chosen?

A: Victim service programs will add their clients that are currently/actively receiving services and that have a need for holiday assistance.

Q: Can I choose the client/family I get to donate to?

A: If you have a particular family size that you would like to donate to, please let us know! Specific client information is not provided due to confidentiality.

Q: How much should I give?

A: There is no set amount of money the supporter needs to give.

Q: What should I buy?

A: We ask that supporters give gift cards so that the client or parent/guardian of the client can purchase gifts they know they/their children will love. Some supporters also supply gift wrap and tape.

Q: Does my donation get distributed across families?

A: No, whatever you donate to your family will go to that family. If one client's support falls through or receives a small amount compared to their family size, we will supplement as we are able to with other toys from our donation room or donated gift cards.

Q: How do I get my items to the client?

A: Gifts may be brought to CVIC, and staff will distribute to the client/family. Drop-Off events are Wednesday December 4th 5pm-6:30pm, Thursday December 5th 5pm-6:30pm, Friday December 6th 5pm-6:30pm, and Saturday December 7th 11am-2pm.

Q: Can I bring my gift cards/donations during regular CVIC business hours?

A: We want to be flexible with your schedule; however, we ask for all AAF contributions to be brought during the outlined drop off schedule if at all possible. This is to minimize the disruption of clients seeking services during CVIC business hours. Please call to schedule an alternative drop off time if you are unable to make it to the scheduled drop off events.
