

MAKE IT YOUR BUSINESS

How abuse affects your team/employees

- More than **40% of U.S. working adults** have experienced the effects of domestic violence at work (e.g. anxiety, depression injuries, tardiness, absenteeism).
- **74% of employed women in an abusive relationship** reported being harassed at work by their partner.

How abuse burdens your business

- Grand Forks businesses lose more than \$2.7 million a year in productivity.
- Escalating health care costs of at least \$2.7 million annually in Grand Forks County.

Help reduce violence through Green Dot

A bystander intervention program dedicated to reducing violence and harm in our community.

Proven strategy to reduce power based personal violence by as much as 30%, and a critical part of CVIC's long-range plan to end interpersonal violence. Activate your teams' success. Integrate free bystander education and training, and equip your team with the skills necessary to act.

How Green Dot benefits you:

- FREE 60-min. overview training and booster sessions for staff of any size
- Empowered bystander intervention trainers
- Volunteer opportunities (100,000+ event participants)
- Recognized as affiliated organization of Green Dot Greater Grand Forks
 - Logo on website/in digital newsletter (200+ subscribers)
 - Window decal/bathroom reads
 - Social media shoutout with logo (1,200+ followers)

"This training prepared my team to recognize signs of abuse and actions to take if this ever happens. It also brought us all a lot closer together. Thank you, Green Dot!"
