

FRIENDSHIPS THAT WORK

Grand Forks County Schools 2025-2026 Results

Friendships That Work (FTW) is a research-based curriculum that engages youth in developing positive friendship skill, with a goal of developing into healthy future dating relationships.

862 students reached in 47 classrooms

"I love friendships because when you show them kindness, they will do the same to you!"

"I thought I learned a lot and feel like I can talk to my friends more respectfully."

"Because this shows how I can be a better friend and to be kind."

"First, I can always be a better friend. Second, I liked it because it's just a life skill."
